## *Exclusive Interview*

### **1. Do you consider your career as a fulfilled story or timeless initiative?**

First of all, I would like to thank you for giving me this opportunity to appear in your magazine which is meaningful and valuable for me when I see a lady like you trying to make the world a better place.

Honestly, my career is currently based around empowering people while helping them to maximize their potential.

I meet up with many people from different walks on life on a daily basis and I try to add value in their routine in my humble capabilities.

From youngsters to the respected elderly ones, I try use the platform of the Royal office to see bring confidence to people, to achieve their best and of course to enrich their business.

My mission of empowering the world is never ending and I was lucky to have a good team of advisors around me. I believe in teamwork !

Talent win games but teamwork and intelligence win championships like Michael Jordan rightly said.

### **2) Tell us something about your mission in business.**

Well, being the humble chairman of the Royal office of UAE, namely the Private office of his Highness Sheikh Ahmed Bin Faisal Al Qassimi, I try to help as many businesses to penetrate the UAE.

The Dubai expo which will be the world's biggest event this year is a turning point in history.

## H.E. TOMASZ ZALESKI

"A people's ambassador"

"Always remember, the human mind, once stretched by new ideas, never returns to its original state, it keeps growing" – HH Sheikh Mohammed Bin Rashid Al Maktoum

H.E. Tomasz Zaleski is an influential leader in the Arab states with parliament membership and adoration from the people. His involvement in charity and volunteer work depicts his commitment and authenticity. The entire team of Royal advisors along with him is involved in a charity mission for the African continent.

The private office of Sheikh Ahmed Bin Faisal Al Qassimi has the vision to reach to the top. H. E. Tomasz is motivated to make the royal office one of the best in the Middle East. He has a strategy to achieve this vision by creating a network of quality individuals. The people who are passionate about the work and give their 100% are selected to be a part of the royal office. The politicians, humanitarians, and Sheikhs are contributing generously to the vision of the office in a positive manner.

### His work

The royal office supports people with dreams and passion to create something and bring change into the world. They stand for business entrepreneurs who wish to expand. They promote investment in start-ups and entrepreneurs for developing opportunities and growing the economy. This project is headed by H.E. Tomasz Zaleski.

International investors are attracted to the royal office due to H.E. Tomasz's business experience and knowledge. The international integration has made the organization more prestigious and diversified. The significant rise in the organization was only possible because of the administrative strategies and execution of different plans by H.E. Tomasz. He is connected with the royals of the UAE and guides thousands of leaders and businessmen in their successful ventures.

The main motto of the company is not money-making or

02 | MM 2021 | www.theciotimes.com

profit. They are focused on humanity and kindness. They are here to establish a platform that brings start-ups and entrepreneurs ahead. It provides opportunities to the innovators and creators to make a change in the world for good.

### One of a kind

People describe him as a dynamic, driven, and humble individual. He is a very positive person with a ground-to-earth approach and values integrity. His personality reflects in the work that he does for the welfare of the country. He loves to help people grow and improve their lives. H.E. Tomasz is a dimensional person who focuses on human relations and takes criticism very constructively. The long-term goal is to create balance and contributes to the wellness of people. He has the skills and professional ability to perform tasks and reach goals efficiently.

H.E. Tomasz is a self-motivated person. The guidance from the best leadership in Dubai HH Sheikh Mohammed Bin Rashid Al Maktoum has been a blessing for him. His guidance has enlightened the people to work towards the benefit of the country.

The journey from volunteer work to Royal Office The chairman of the royal office has been through many ups and downs professionally. He is the CEO and founder of U1 Sverige AB Stockholm since 2000. In the past 21 years, he has worked with construction works, road, and indoor works for investors in Poland, Sweden, Belgium, and Norway. The contracted projects with high-quality and professional engineers are the USP of the company. He is also the founder of many other companies like TAD group and T&V group. The companies work in the field of transportation of petroleum products vegetable oils and groceries.

Currently, he has joined the African world business center and East Gem Trading that trades in gold and diamonds. The successful ventures of H.E. Tomasz in retail and trading show his critical thinking and strong skill set. Royal Highness Sheikh Ahmed bin Faisal Al Qassimi belongs to

the royal family. His royal office deals with establishing strategic alliances and strengthening relationships of business. The implementation and export of products or services into Dubai and other markets is their main proposition. It's a channel that allows growth and introduction in the Dubai market to create a successful business.

The chairperson is involved in the launch and sustains of clients' businesses in UAE and GCC region. These usually support local and global companies. He handles a team of 55 members. HH Sheikh Ahmed Bin Faisal Al Qassimi Group of Companies aims to be an integral part of the market. Under the supervision of H.E. Tomasz, the task is to continue offering clients premium services. The company is committed to success and to emphasizing the Group's position through driving further growth and expanding services.

### Recognition and Accreditations received

The company is counted among the top 3 royal offices of the UAE. He accredits it to the determination, commitment, and integrity of the team. The government officials of Africa, India, the UK, Australia, and the UAE have honored them and recognized them on the international level. It has increased the motivation and pushed the chairperson to work hard.

### The situation post-pandemic

H.E. Tomasz feels that it was disturbing and disheartening to see the problems arise due to the pandemic. He believes that life is not the same and people are trying to adjust to the new normal. The economy is reviving slowly and investments are coming in. The new timeline has created an aspiration of becoming the no. 1 royal office in the UAE. The company wants to support and provide backup to business communities for their ventures. The business hubs include Africa-India-UAE collaboration. It will support and facilitate people from these countries for establishing new businesses in UAE. H.E. Tomasz awaits development and a bright future in the years to come.

### Views on technology being a boon or bane

According to H.E. Tomasz, technology is a blessing for sure. Of course, people with the wrong intention can use it for negative purposes. The people have to serve a positive use for technology. Otherwise, it can be a double-edged

sword. It is up to the people on how they use technology.

### Advice to modern entrepreneurs

H.E. Tomasz Zaleski says to stay focused on fulfilling your dreams. Prepare yourself well and do proper planning. Create a strategy that aligns with your dreams and plans.
