His business sense allowed him to run and successfully develop, for many years, a number of business entities on many continents, including Europe, Africa, Asia...

Tomasz started his adventure with the United Arab Emirates almost 10 years ago, gradually developing many companies over that time, employing a large number of employees in many areas of the economy, always promoting the potential and economic value of the Emirates abroad. Here in Dubai he found love, started a family, bought a house, and assimilated with the Muslim world by converting to Islam. For years, he held a managing position in the Shaikh Ahmed Bin Faisal Al Qassimi Group of Companies, during which time he met many influential and fascinating people from the world of Business, Politics and the Internet, he gave many interviews, many articles were written about him in the press and on the Internet, he was invited to many prestigious ceremonies as a Business Consultant:

This position allowed him to actively present the economic potential of the UAE as a dynamically developing business hub between Africa, the Middle East and Europe. Tomasz held many significant meetings with representatives and ambassadors of a number of countries, always supporting the international interests of the UAE, encouraging the opening of businesses in the Emirates and promoting it as the next business stop for the trade, tourism and banking sectors. Tomasz remained an extremely active person in social media and online business communities, as evidenced by his profiles on LinkedIn and Instagram.
